The details of the results can be viewed at the company's website www.ybrantdigital.com in the Investors' section.

"We are extremely pleased with the growth rate of our Digital business," said [Suresh Reddy](#), Chairman of Ybrant Digital. "This was an year of consolidation and refocus for Ybrant. We ended it with another solid quarter. The significant increase in our reach, user engagement and revenues is the result of our strategy of focusing on the core competence and peeling out the unnecessary. As the world gets ready to be enthralled with more apps, devices and wearables, here is what future means to us and our users – Simplify your Digital Life. And we are working towards it."

Business highlights:

- New Ybrant Mobile website was launched with more focus on traffic monetization and mobile apps.

- Ybrant Digital acquired minority stake in Israel listed company, Jobokit Holdings Ltd., (through Ybrant Digital Israel) in April 2014 to exclusively represent Jobokit (www.Jobokit.com) and affiliates' websites for the next 30 months for their online advertising needs. Ybrant has the right to extend the Representation Agreement for two more years based on performance. As a leading destination for users of varied interests globally, Jobokit is an important strategic addition to Ybrant.
- Ybrant's Social Media team attended the F8 Facebook Developers Conference in April at SF to understand the various new features that were announced by Facebook.
